A program of Amaras Art Alliance

Our summer day camp program is designed for children ages 7-12 years **Arvest Arts Day Camp** is a unique alternative to traditional camps. Our fundamental goal is essentially to familiarize children with Armenian language and culture in a safe, fun, and friendly setting. Our certified instructors have much experience and knowledge in the curriculum subject matter as well as childhood education.

Introduction to Armenian Language and History

Through the use of games, DVD presentations and story telling, participants will learn about Armenian Poets, writers and their works such as Hovanness Toumanian, William Saroyan. We will also discuss Armenia's recent history and new republic.

Music Appreciation and Sing-Along

Participants will learn about World classical music and composers. This program will include easy-to-listen Vivaldi and Mozart compositions. In group settings, the children will learn to sing popular Armenian folk songs.

Folk Dance

Classes will teach children specific movements of Armenian folk dances including circle group dances.

Painting and Drawing

Participants will be introduced to the primary elements of painting and drawing. They will learn about colors and design

Sports

Indoor and outdoor physical activities will be incorporated into the daily camp program.

Space is limited - submit your child's registration form today!
